

**BASIC RE-QUALIFICATION COURSE
PEACE OFFICER STANDARDS AND TRAINING (P.O.S.T)
YUBA COLLEGE PUBLIC SAFETY TRAINING CENTER
Fall 2008 COURSE ANNOUNCEMENT**

Course: A 136 hour training program offered in an intensive format for the recertification of persons who have previously completed a P.O.S.T. certified Basic Academy and who have had a three year or longer break in service as a regular Peace Officer in another state and have completed the waiver processes and received a valid Basic Course Waiver (B.C.W) letter from P.O.S.T. **Six year exception:** An individual who successfully completed a Regular Basic Course, Specialized Investigators' Basic Course or the Basic Waiver Process **on or after July 1, 1999 but who never served** in a California peace officer/Level I reserve officer position for which a Regular of Specialized Investigators' Basic Course is required, may re-qualify by successfully completing a P.O.S.T- certified Re-qualification Course one time within six years from the date of basic course or waiver process completion. After six years, an individual must successfully complete the appropriate basic course (RBC or SIBC) to re-qualify, regardless of when the re-qualification Course was completed.

Course Dates: **Monday, October 27, 2008 through Friday, November 14, 2008**
Monday thru Saturday - 8 a.m. to 5 p.m.

Pre-Requisites: *Please follow these items to confirm attendance:*

Note All required forms are available at www.yccd.edu by searching for AOJ.

- Call **530-749-3879** or **530-741-6923** to place your name on the inquiry list for future contacts. Adding your name to the inquiry list does not confirm attendance. The first 34 individuals that submit all below listed pre-requisites will be moved over to the confirmation list. No one will be confirmed without all below pre-requisites.
- Register as a college student thru the Yuba website at www.yccd.edu (if you are an out of state resident, please contact our office immediately). Depending on time of year, you may not be able to register (add name to course roster and pay registration fees) until the college enrollment dates for this particular semester. You must complete the application process as pre-requisite and add later when college enrollment begins. You must be on the roster and unit/student fees paid within two weeks of class or you may lose your spot. **(6.0 units @ \$20/unit + \$6.00 student fee-one time per semester = \$126.00)**
- **Check or money order - \$40** fee (non-refundable) payable to Yuba College (includes LD1). An agency-sponsored student may submit a letter from their respective agency stating their sponsorship and request fee to be invoiced or fee to be submitted with all other college fees. This fee is separate from registration fees and is collected by AJ staff, not the registration department.
- **D.O.J. Finger print clearance (no felony convictions)** - fingerprints need to be done at an agency with live scan capability (cost is involved). A copy of the completed form will secure your spot; however, you must be cleared prior to going to the range. A letter from a sponsoring agency stating clearance through the employment process will also be sufficient.
- **Proof of completion of Basic Academy** - copy of certificate or POST printout. If you are not sure of your status with P.O.S.T. please contact them prior to enrolling.
- **Physician's Release** -Please use the clearance form that applies to you (affiliated/non-affiliated). The Health History statement & Par Q must also be completed and submitted with physician's release.

Range

Firearm (semi-automatic, reputable manufacturer)
3 Magazines / 1 Magazine holder (must hold 2 magazines)
Ammunition required:

- **600 rounds of “handgun ammo”**
(more may be needed if you are an inexperienced shooter)
- **50 rounds of 2 ¾ “bird shot”**
(any thing between 7 ½ - 9 shot is acceptable) Big box stores i.e. Wal-Mart has 100 round packs for around \$17, you can partner up with someone else and split the cost.
- **25 rounds of 2 ¾ “00” buck shot.** 9 pellets only, no 12-15 pellets will be allowed. “00” usually comes in packs of (5) shells.
- **25 rounds of 2 ¾ “lead slugs”.** They must be one-ounce lead slugs. NO sabot rounds are allowed.

You may purchase your ammunition before or after the course begins. There are nearby stores to purchase your ammunition. A range master will be there the first few days of class to answer all of your questions prior to actual range days. Dress appropriately for any weather. Hats are recommended to keep the sun and ejected brass off your face and head. You should bring and wear sunscreen and drink plenty of water. It may rain, so students need to bring the appropriate gear and be prepared to shoot in any weather.

I. Pre-Requisites

NOTE: Department of Justice fingerprint clearance for firearms is required prior to attending the firearms portion of this Academy. Agency affiliates may provide a letter from their respective employer that states that they have already received firearms clearance as part of the screening process for employment. The date of this clearance should be included also. It generally takes 20-25 days to get a fingerprint clearance back from D.O.J., so it is imperative that students submit prints well before the start of the Academy.

II. Attendance

90% attendance for the entire course

100% attendance for critical subjects. Critical subjects are defined as follows:

1. Firearms Training
2. Arrest Methods
3. Scenarios

Agency affiliated students are responsible for notification to their respective agencies in the event of any amount of time missed during this course. Additionally, the Facilitator must receive a memo from the student in order to account for any time missed in this course.

Total hours: 136

Minimum hours to complete: 122

III. Grading

- | | |
|--------------------------------|-------------------------|
| 1. Overall Academic Percentage | 77% Established by POST |
| 2. Firearms | 90% |
| 3. Arrest Control | Pass / Fail |

A. Written examinations

- (1) Throughout the length of the Academy when a cadet fails the POST constructed exam, he/she will be allowed to successfully remediate that exam. A total of one (1) successful remediation will be allowed.
- (2) To assist the cadet in passing the remediation examination, remediation instruction and remediation assignments will be offered. It will be the cadet's choice whether or not to accept these assignments.

B. Firearms

- (1) All students will bring their own handguns, none will be provided, and will have to pass (qualify) with their handguns and shotgun in various firearms courses set by the Course Range Masters and based on POST training specifications.
- (2) 90% of the total points possible are needed by each cadet to pass each of the qualifying courses. Failure to attain a 90% score, after remediation, will result in dismissal from the course.

C. Arrest Methods (Person searches, handcuffing, baton, etc.)

- (1) Cadets will be expected to demonstrate learned skills in these areas.
- (2) Scoring is a pass-fail method. Failure of an initial demonstration and a

remediation demonstration will result in dismissal from the Course.

VI. POLICIES AND PROCEDURES:

General:

Each Student will be provided with a Yuba College Student Basic Re-qualification Rules and Regulations handbook during orientation, which is appropriate and applicable to all students. Additionally, students will be provided a variety of safety policies, acknowledgments, and waivers that must be signed during the orientation session. At all times, affiliated students are subject to the rules and regulations of their respective agencies. A student must immediately report any injuries to Academy Staff. Furthermore, agency affiliated students must report any injuries sustained during Academy hours to their respective employer as soon as is reasonably possible. This will afford the employer the opportunity to submit Worker’s Compensation paperwork within established time frames.

IX PHYSICAL REQUIREMENTS:

This course contains numerous hours of Arrest Control Methods. Students must participate in all aspects of this training unless excused by a physician for an injury or illness. *Students are required to perform a variety of physically demanding activities including; Repetitive bending, standing, rapid/multi-dimensional foot movements, sustained and repeated application of pain compliance techniques to wrist/elbow/shoulder joints, and stretching/warm-up exercises to include push-ups and sit-ups. Students should prepare prior to the commencement of this course.*

NOTE: All students are required to complete a medical clearance/physician's release prior to participating in any of the prescribed physical activities. Affiliated students must present a letter (prior to the first Arrest Methods session) from their respective agency stating that a medical examination was performed as part of the employment screening process and there are no limitations or restrictions that would prohibit the student from participation in this course.
