

Dear Student:

Our records indicate that you have registered for Fall 2008 at the Yuba College – Beale Outreach. As a civilian student enrolled in Beale Outreach classes, the information contained in this letter is very important.

Beale Air Force Base Security Forces require that Yuba College provide specific student data for all civilian students enrolled in Beale Outreach classes. Security Forces will use this information (including driver's license number) to insure that students entering Beale Air Force Base are free of any outstanding wants and warrants. In order to collect and report the required data, each student enrolling in Beale Outreach classes must complete the enclosed "Yuba College - Beale Air Force Security Information Release and Agreement" form. Please read the form carefully, as it contains information that defines the guidelines governing your access to Beale AFB. Complete the form by entering your Driver's License number and signature. You must bring the completed form with you at the time you come to Yuba College to secure your pass.

Completion of this form is required and is the student's responsibility. Without exception, students who fail to comply with this requirement will not be admitted to Beale Air Force Base.
