This July the District will begin the third year of its four-year plan, and the second year of operation as a multi-college district. This session will examine 2008-2009 accomplishments, goals for 2009-2010, and plans for the fourth and final year of this planning cycle.

The Summer Planning Session will also include an in-depth review of the Measure J Bond Program which is in its third year of operation.
