Reference: Education Code Section 72122

The Board shall consider all gifts, donations, and bequests made to the District. The Board reserves the right to refuse to accept any gift which does not contribute toward the goals of the District, or the ownership of which would have the potential to deplete resources of the District.

The District shall assume no responsibility for appraising the value of gifts made to the District.

Acceptance of a gift shall not be considered endorsement by the District of a product, enterprise, or entity.

In no event shall the District accept a donation from any donor who engages in practices or policies that discriminate against any person on the basis of race, sex (i.e., gender), color, religion, national origin, age, disability, or sexual preference; or when the stated purposes of the donation are to facilitate such discrimination in providing educational opportunity.

A District shall consult with counsel if confronted with a donor who wishes to make a donation of a scholarship that will be tailored to help historically underrepresented groups.
