Financial Aid Payment Schedules for 2009-2010	18

How do I apply for financial aid?

To apply for federal and state financial aid you need to complete the Free Application for Federal Student Aid, also referred to as the FAFSA. You can apply on-line at www.fafsa.ed.gov. It's free and can be accessed from your home or school.

If you do not have access to a computer you may complete and mail a paper FAFSA. For a paper FAFSA application, call 1-800-4-FED-AID (1-800-433-3243). Applying online is faster and easier than using a paper FAFSA.

You will need to request a PIN at www.pin.ed.gov. Your PIN serves as your electronic signature. If you are a dependent student, one parent must also sign your FAFSA. Your parent should also apply for a PIN.

For federal aid, submit your FAFSA as early as possible, but no earlier than January 1, 2009. The Department of Education must receive your application no later than June 30, 2010. The school must have your correct and complete information by the last day of enrollment in the 2009-2010 school year.

When you complete the FAFSA, be certain to list the Yuba College federal school code: **001344** so that the Department of Education will electronically send us your FAFSA results.

To apply for a CalGrant, you must file a FAFSA and submit a Grade Point Average Verification form certified by the appropriate high school counselor or college administrator. CalGrant deadlines and requirements are discussed on page 13.

What is a Student Aid Report (SAR)?

Once the Department of Education processes your FAFSA a Student Aid Report or SAR is sent to you (online if you provided an email address or to your home address if you did not). Generally it is mailed within four to six weeks after mailing your paper FAFSA. If you filed on-line you will receive your SAR much sooner.

Your SAR contains a summary of the information you provided on your FAFSA. It also contains your Expected Family Contribution (EFC). This number is used to determine your eligibility for federal and state aid.

If you are a **dependent** student your EFC will take into account:

- Your income and your parents' income
- Your assets and your parents' assets
- The age of your older parent living in your household
- The number of siblings in college
- The number of children and other dependents living in your household

If you are an **independent** student your EFC will take into account:

- Your income and assets, and your spouse's, if married
- The number of children and other dependents living in your household
- The number of family members in college during the coming academic year

If your SAR is incomplete or has errors on it you must make the necessary corrections and resubmit it to the Department of Education. You can make the corrections on-line or on the paper SAR.

How is financial aid determined?

- The **Cost of Attendance or Budget** includes tuition, fees, books, supplies, transportation and personal expense estimates based on state guidelines. Your cost of attendance or budget will vary depending on where you live (with parents or off campus) and the college you attend.
- The U.S. Department of Education calculates your **Expected Family Contribution (EFC)** based on the information you reported on your FAFSA. They compare your income and assets against standard cost of living allowances for the number of people in your household. Your EFC determines the types and amounts of aid that you are eligible to receive.
- **Financial Need** is defined as the difference between your cost of Attendance or Budget as determined by Yuba College and your Expected Family Contribution (EFC).

Federal student aid programs are based on the principle that students (and their parent(s) or spouse, if applicable) are considered to be the primary source of financial support for postsecondary education. **Financial aid is intended to supplement, not replace family resources.**

$\begin{aligned} & \text{Cost of Attendance (Budget)} \\ & - \text{Expected Family Cont. (EFC)} \\ & = \text{Financial Need} \end{aligned}$

What if my financial situation has changed?

If your family experiences an extreme change in its finances due to special circumstances such as illness, divorce, separation, unemployment, or death of parent or spouse you can request to have your financial aid eligibility reevaluated based on your new financial circumstances. Contact the Financial Aid Office and request a “Special Circumstance” application.

What is an award letter?

An “award letter” informs you of your eligibility for student financial aid. After determining your financial need the Financial Aid Office will put together your financial aid package and post your award letter online. The award letter will list your cost of attendance or budget, EFC, financial need, financial aid awards and the award amounts.

The Financial Aid Office no longer mails award letters. You can view your financial aid awards on WebAdvisor at www.yccd.edu.

All awards are contingent upon available funding and your meeting all student eligibility requirements for Federal, State and Institutional financial aid programs.

Important Note: Yuba College reserves the right to modify your awards at anytime. A revised award letter will be posted if an award is modified.

How is the amount of my check determined?

The Financial Aid Office reviews your enrollment status and other eligibility criteria and authorizes a payment if eligible. **A check will not be processed unless you are registered in classes at least 15 days prior to the next scheduled payment date.** Refer to the attached Disbursement Schedule for payment dates.

The amount you receive is based on the number of units you are actively enrolled in at the time the disbursements are processed. The amounts listed on your award letter reflect the awards for a full-time student. Your actual disbursements may be less depending on your actual number of units.

Enrollment Status	Units Enrolled In	Award Eligibility
Full-time	12+	100%
Three-quarter	9 to 11.5	75%
Half-time	6 to 8.5	50%
Less than half-time	.5 to 5.5	Varies

- For students enrolled in less than half-time (.5 - 5.5 units) the Pell award may vary dependent upon the number of units enrolled in and the student's EFC. Contact the Financial Aid Office for award information.
- If you have an approved financial aid appeal, you will only be paid for those classes that were approved on your appeal even if your actual number of units is higher.

Important! Students will not be paid for late starting classes until those classes actually begin, even if you are enrolled in them before they begin. Late starting classes will be paid with the second disbursement.

Checks are mailed directly to the student. The U.S. Post Office does not forward Yuba College mail. Keep your address current in the Admissions and Records Office. If after ten working days you have not received your check, contact the Financial Aid Office and we will assist you accordingly.

What is the minimum number of units I have to enroll in to receive financial aid?

Award	Must Be Enrolled In
Board of Governor's Fee Waiver (BOG)	Any number of units
Pell Grant	Must be enrolled in at least 6 units. If enrolled in .5 - 5.5 units the award will be dependent upon the number of units enrolled in and the student's EFC.
FSEOG, Federal Work-Study, Direct Loan CalGrant B or C	Must be enrolled in at least 6 units.
EOP&S and CARE	Must be enrolled full-time (with few exceptions).
Scholarships	Scholarship enrollment requirements vary. Refer to your scholarship award letter.

Awards cannot be disbursed until you have registered for the minimum number of units. If you fall below these minimum unit requirements by dropping or withdrawing from classes, your awards may be canceled or reduced.

What happens if I drop or withdraw from classes?

If you drop classes before the next disbursement of your financial aid, your next payment will be adjusted to reflect your new enrollment status. If you completely drop or withdraw from classes at Yuba College prior to completing 60% of the term it will affect your eligibility for financial aid, **and could result in your having to repay all or a portion of your financial aid to Yuba College or the Department of Education.**

Students are encouraged to meet with their instructors and/or academic counselors prior to dropping classes. In addition to possible repayment, this may affect your Satisfactory Academic Progress and you may be placed on financial aid warning or terminated status.

Am I eligible if I am in default on a student loan or received an overpayment of federal student aid funds?

Students who are in default on a student loan or who owe an overpayment of federal student aid funds are not eligible for financial aid. If a student has an overpayment of federal student aid funds, the debt must be cleared before any federal financial aid will be processed. In the case of a student loan, financial aid may be reinstated once the student makes satisfactory repayment arrangements with the holder of the loan.

What if I add classes?

If you are enrolled less than half-time and add classes notify the Financial Aid Office immediately. If you are enrolled in 6 to 12 units and add classes, the Financial Aid Office will automatically adjust your award. Added classes will be paid with the second disbursement.

What if I am taking courses at another college?

You may not receive financial aid from two colleges or universities at the same time. You must decide which institution is your primary school and apply for financial aid at that school.

If a student received financial aid from more than one college or university during the same time period, the student may be terminated

from financial aid, he or she may be required to pay back the money to at least one of the institutions, and he or she may be referred to the Department of Education Division of Fraud and Abuse.

EXCEPTION: *You may apply for and receive a Board of Governor’s Fee Waiver at more than one community college. You must complete a BOG Fee Waiver application at each institution you attend.*

What else do I have to do to receive and keep my financial aid?

- You must be enrolled in an approved certificate, associate degree, or transfer program and must be taking courses toward that program.
- You must declare a MAJOR at the Office of Admissions and Records.
- If you change your educational goal and/or major you must make the changes officially by notifying the Office of Admissions and Records and reporting the change in writing to the Financial Aid Office.
- To remain eligible for Federal and State aid you must maintain Satisfactory Academic Progress.

What is Satisfactory Academic Progress?

Federal regulations require that all students who receive Financial Aid maintain Satisfactory Academic Progress (SAP). Students must be enrolled in an approved certificate, associate degree, or transfer program and must be taking courses toward that program. In addition, a student must make progress toward his or her educational goal(s). The Yuba College Financial Aid Office monitors that progress using Quantitative and Qualitative Progress criteria.

Quantitative Progress: The table below lists the number of units a student must complete each semester, based upon his or her enrollment status.

Semester Enrollment Status	Quantitative Progress Requirements per Semester
Full-time enrollment 12 + units	Must complete at least 9 units
$\frac{3}{4}$ time enrollment 9 - 11.5 units	Must complete at least 6 units
$\frac{1}{2}$ time enrollment 6 - 8.5 units	Must complete at least 4 units
Less than $\frac{1}{2}$ time 3 - 6 units	Must complete at least 3 units
Less than 3 units	All units attempted

Qualitative Progress: A student is required to maintain a Grade Point Average (GPA) of at least 2.0 for each term attempted. The GPA standard is used at all times in the determination of eligibility for financial aid, even when a student does not receive financial aid.

Quantitative and Qualitative Standards are checked each semester during the academic year for all the periods a student was enrolled (Summer, Fall and Spring terms). It is the student's responsibility to make sure that he or she meets both of these progress standards.

Failure to meet any of the above requirements will result in suspension from financial aid. A student will be immediately suspended from financial aid if he or she withdraws from all units during the semester or completes all units with "F" and/or "W" grade and may be required to repay all or part of the funds received.

Withdrawals and Incompletes: At the end of the Fall, Spring and Summer term, each student's record will be reviewed to determine if academic requirements have been met. Units are not considered completed if any of the following grades or notations were received:

W = Withdrawal	IP = In Progress	F = Failing Grade
I = Incomplete	NC = No Credit	RD = Report Delayed

Repeat Courses: Students may repeat courses for financial aid purposes, provided the courses are allowed under the Yuba College District repeat policy as specified in the College Catalog. All repeated courses will be included to assess timeframe and the completion rate assessment, including Work Experience classes.

Note: It is the student's responsibility to notify the Financial Aid Office of any grade changes.

As stated above, a student is required to meet Quantitative and Qualitative Progress standards at all times. If a student fails to do so, he or she will be placed on Financial Aid Warning or Financial Aid Termination Status at the end of the semester in which he or she failed to maintain either standard. Warning and Termination Statuses are defined as follows:

Financial Aid Warning Status: Failure to meet Quantitative or Qualitative Progress standards during the prior semester will place the

student on Financial Aid Warning Status. A letter will be sent to the student at the address on file in the Yuba College computerized system advising him or her of his or her status and explaining what he or she needs to do to correct this situation.

Financial Aid Termination Status: If a student does not correct the situation which caused him or her to be placed on Financial Aid Warning he or she will be placed on Financial Aid Termination Status and he or she will not be eligible for any financial aid (including the Federal Stafford Loan Program), except that he or she may be eligible for the Community College Board of Governor's Fee Waiver also known as BOGW. A letter will be sent to the student at the address on file in the Yuba College computerized system, advising him or her of his or her status and what the student may do in terms of filing an Appeal.

Financial Aid Excess Units Status: If a student accumulates more than ninety (90) units without achieving his or her educational goal, he or she will be placed on Financial Aid Termination Status and he or she will not be eligible for any financial aid (including the Federal Stafford Loan Program), except that he or she may be eligible for the Community College Board of Governor's Fee Waiver also known as BOGW. A letter will be sent to the student at the address on file in the Yuba College computerized system advising him or her of his or her status and what the student may do in terms of filing an Appeal.

Maximum Allowable Units (Excess Units): The majority of the programs of study offered by Yuba Community College District do not require more than 90 units to complete. Due to this fact, a student will normally be allowed to accumulate no more than 90 units, including courses that he or she completes at Yuba College, and all units he or she transfers from other colleges and universities. This rule complies with the 150% rule as defined by federal regulations.

Because of the 90 unit limit and the 150% Rule, it is important that a student decide on an educational goal early, and enroll only in courses required to complete that goal. Yuba College offers counseling services provided by academic and career counselors and career planning courses to assist students in deciding on the educational goal that is best for them. The Financial Aid Office encourages students to take advantage of these services and develop an Educational Plan.

Students are expected to complete their educational objectives within 150% of the published length of his or her chosen educational program. The Financial Aid Office will pay for the units in which a student is enrolled until he or she reaches the 90-unit limit and/or the 150% length of enrollment (prorated to full time or part-time). Once a student reaches that limit, he or she will no longer be eligible for financial aid (except that he or she may be eligible for the Community College Board of Governor's Fee Waiver (BOGW). It is the student's responsibility to know how many units he or she has completed.

Exceptions to the 90-unit limit will be considered by the Financial Aid Dean, designee, or by the Financial Aid Advisory Committee.

Remedial Units: Federal regulations stipulate that students may receive federal aid for up to one academic year's worth of remedial coursework (30 semester units). Remedial units include any coursework numbered 100 and above. Students who exceed 30 units will no longer be eligible to receive financial aid for remedial coursework. However, they will be eligible to receive financial aid for non-remedial coursework that is numbered 1 through 99.

How do I file a financial aid appeal?

The Financial Aid Office understands that unexpected things happen to all of us. Therefore, students are provided the opportunity to file an appeal. Appeal forms are available at the Financial Aid Office. If a student chooses to file an appeal, it is recommended that he or she attempt to do so as soon as he or she is aware of the situation he or she is appealing. Timely appeals will benefit the student since it enhances the student's chance to receive a timely response to properly plan his or her options.

A student is responsible for providing copies of his or her transcripts from other institutions previously attended and any other documents that he or she believes are necessary to explain his or her situation or which are required by the Financial Aid Office.

It is important that students understand that filing an appeal is not a guarantee that the appeal will be approved. The Financial Aid Office considers each appeal individually and with great care. How well a student explains his or her circumstances and the extent to which these

were beyond his or her control are taken into account in the review of the financial aid appeal.

Failure on the part of the student to take personal responsibility for his or her education will not be considered a good reason to have failed to maintain Satisfactory Academic Progress standards. In order to achieve his or her educational goal, a student is responsible for his or her educational goal and he or she is expected to:

- Meet with a counselor
- Read and understand financial aid instructions and materials
- Take courses that are consistent with his or her educational goals
- Meet Yuba College and financial aid deadlines
- Do his or her best to complete the units in which he or she enrolls
- Maintain his or her GPA at or above 2.0.
- Read and understand the Yuba College General Catalog
- Attend classes regularly and consistently
- Decide on and plan for his or her educational goal
- Seek tutoring and/or other campus services (if needed)
- And, most important, always, if not sure of something, ask questions!!!

Placement on Financial Aid Warning or Termination Status – Reasons to Appeal: Examples of reasons for a student to file an appeal include:

- Unexpected and/or unavoidable events like medical problems (the student's or those of a family member);
- A death in the family;
- Changes in work schedule (which were not initiated by the student); or,
- Other things of similar nature that prevented a student from being able to meet quantitative or qualitative progress standards.

Documentation of such circumstances is normally required and should be submitted with the student's appeal. The above situations are just examples and are not the only reasons for which a student may file an appeal.

Failure to attend classes or complete course work in the absence of unexpected or unavoidable circumstances is not a good reason to file an appeal.

Can I receive financial aid in the summer?

Limited funds are available for summer terms. Students may receive a Pell Grant for attending summer classes if:

- They did not receive their full Pell Grant during the regular school year (Fall and Spring semesters).
- If a student attended and was paid at full-time status for both Fall and Spring semesters, then that student would have no remaining eligibility for summer.
- Contact the Financial Aid Office in early May to discuss options.

Do I have to reapply for financial aid every year?

You must reapply every year for Federal and State aid programs by submitting a Free Application for Federal Student Aid (FAFSA). For the best financial aid package, submit your FAFSA in January for the following fall semester.

For CalGrant, you must file your FAFSA and submit a Grade Point Average Verification form certified by the appropriate high school counselor or college administrator by March 2nd. If you miss the March 2nd deadline and are planning on attending a California Community College you have a “second chance” deadline of September 2nd.

Award Descriptions and Requirements

- **Board of Governor’s Fee Waiver (BOG)** – The Board of Governor’s Fee Waiver, or BOG Fee Waiver, waives enrollment fees for California residents who meet the eligibility requirements.
- **CalGrant** – The California Student Aid Commission administers the CalGrant program. These funds are awarded to California residents who filed a FAFSA and CalGrant GPA Verification form by the March 2nd or September 2nd deadline and demonstrate financial need. You must be enrolled in an approved degree program and be enrolled at least half-time (6 units).
- **Cooperative Agencies Resources for Education** – CARE provides counseling, bus passes, transportation, textbooks and school supplies, as well as grants for students who are single parents with at least one child under the age of 14, who are receiving TANF, and who are also eligible for EOP&S.

- **Extended Opportunity Program and Services** – EOP&S provides book grants, bus passes, incentive grants based on budget availability, counseling and tutorial services to low-income, educationally disadvantaged students.
- **Federal Pell Grant** – This federal grant is awarded to full and part-time students with financial need based on the student’s EFC. The award varies based on the number of units a student is enrolled in each semester. You may not receive Pell grant funds from more than one school at a time.
- **Federal Supplemental Educational Opportunity Grant (FSEOG)** These funds are limited and are awarded to full and part-time students with exceptional financial need. Priority is given to students who filed their FAFSA by the March 2nd Yuba College priority-filing deadline.
- **Federal Work-Study (FWS)** – These funds are awarded to full and part-time students who demonstrate financial need. FWS provides part-time employment on campus. Funds are limited and are awarded on a first-come, first-serve basis.
- **Direct Loans** – *Subsidized Loans* are available to students who demonstrate financial need provided the student is making Satisfactory Academic Progress. The Federal government pays the interest on these loans while you are in college and during the six-month grace period after you graduate, leave school or enroll less than half-time.

Unsubsidized Loans are for all eligible students. Students must meet the same requirements as the subsidized Stafford loan, except it is not based on need. You are responsible for paying all the interest on the loan from the time the loan issued.

The amount you can borrow depends on your dependency status, financial need, enrollment status, and academic progress. To apply for a Direct Loan you must contact the Financial Aid Office. Student loans require a separate application.

- **Student Support Services** – SSS is part of TRIO, a federally funded group of programs developed to enhance higher education access and completion for low-income, first generation college students. SSS may provide financial aid to current SSS participants who are also receiving a Pell grant.
- **Foundation Scholarships (FSCHL)** – These scholarships become available through private support and people who have contributed to the

Yuba College Foundation. (i.e., the Town and Country Scholarship and A.J. General Scholarship).

- **Hayter Scholarship (HAYTR)** – This foundation scholarship is awarded through the Yuba College Foundation.
- **Sawtell Scholarship (SAWTS)** – This foundation scholarship is awarded through the Yuba College Foundation.
- **Pass Through Scholarships (PSCHL)** – Independent donors select the scholarship recipients. The scholarship check is mailed to the Financial Aid Office and payable to the institution or to the institution and the student. These checks are processed through the Business Office. (i.e., AmeriCorps, Governor’s Scholarshare, and Kamehameha Schools).
- **Transfer Scholarships (TSCHL)** – These are scholarships awarded to students transferring to a 4-year college or university. These scholarships are awarded through the Yuba College Foundation.
- **Other Scholarships (SCHLR)** – Independent donors select the scholarship recipients. The scholarship check is mailed to the Financial Aid Office and payable directly to the student or to the institution and the student. (i.e., Chafee, Robert C. Byrd Honors Scholarship and Yuba-Sutter Chambers of Commerce).

Recipients of these awards should have received written notification of the scholarship and the criteria they must meet to receive the scholarship. Awards are contingent upon availability of funds. No awards will be processed until the recipient meets the donor’s eligibility requirements. Please contact the Financial Aid Office if you have any questions regarding your scholarship awards.

Students interested in applying for scholarships may view the Yuba College Scholarship Handbook for details and scholarship deadlines. You can view the scholarship handbook online at www.yccd.edu.

Confidentiality of Your Record

The Family Educational Rights and Privacy Act of 1974 (FERPA) protects the confidentiality of student records. The Financial Aid Office does not release certain financial aid information over the telephone in order to protect the student’s right to privacy. If you need specific information about your financial aid record, disbursement dates, and/or award amounts, please come in person to the Financial Aid Office with a picture ID.

Financial Aid Payment Information

- The **Pell Grant** is disbursed in two payments per semester. You will receive 50% of your semester eligibility (based on unit enrollment) during the first disbursement and the remaining balance during the second disbursement. If you drop or add classes the second disbursement payment will be adjusted.
- The **CalGrant** is disbursed in one payment per semester. You will receive 100% of your semester eligibility (based on unit enrollment).
- **EOP&S and CARE:** Contact the EOP&S Office for payment dates.
- **FSEOG** payment varies.
- **Scholarships** are processed and paid to the student as they are received in the Financial Aid Office.
- **SSS:** Contact the SSS Office for payment dates.
- **Stafford Student Loans:** Contact the Financial Aid Office for disbursement information.

Note: If you are scheduled to receive your first disbursement on the same date as the second disbursement, you will receive 100% of your semester eligibility (based on your unit enrollment).

Important Reminders

- ✓ Check your mail frequently. Submit any requested documentation to the Financial Aid Office promptly to assure timely processing of your financial aid application.
- ✓ When you accept financial aid, you enter into a contract with the college. You are responsible for understanding your responsibilities.
- ✓ A check will not be processed unless you are registered in classes at least 15 days prior to the next scheduled payment date.
- ✓ Students will not be paid for late starting classes until those classes actually begin, even if you are enrolled in them before they begin. Late starting classes will be paid with the second disbursement.
- ✓ Classes that begin after a certain date are not accepted for financial aid. Students will not get paid financial aid for these classes. Refer to the Financial Aid Payment Schedules for published dates.
- ✓ Financial Aid checks are mailed directly to the student from Marysville. Please allow sufficient time for the U.S. Postal Service to deliver. If after ten working days you have not received your financial aid check, contact the Financial Aid Office.
- ✓ It is your responsibility to keep your mailing address current with the Admissions and Records Office. Notify them immediately if you change your mailing address or telephone number.
- ✓ You must use financial aid for education related expenses only. If you fail to comply, your aid may be canceled and you may have to repay funds you have already received.

Financial Aid Payment Schedule – Fall 2009

Semester	Grant	Files Awarded By:	Financial Aid Payment Dates	
			1 st Payment	2 nd Payment
Fall 2009	Pell	7-30-09	8-18-09	11-13-09
		8-14-09	8-21-09	11-13-09
		8-28-09	9-04-09	11-13-09
		9-11-09	9-18-09	11-13-09
		9-25-09	10-02-09	11-13-09
		10-09-09	10-16-09	11-13-09
		10-30-09	11-13-09	11-13-09
		11-13-09	11-20-09	11-20-09
		11-20-09	12-11-09	12-11-09
	12-11-09	12-18-09	12-18-09	
	ACG	10-30-09	11-13-09	N/A
CalGrant	10-02-09	10-09-09	N/A	

Fall 2009 - 1st Pell Grant Payment:

Pell checks will be mailed to those students who maintained Satisfactory Academic Progress (SAP) during the Spring 2009 semester and/or Summer 2009 session on August 18, 2009.

If you were on Warning or Terminated status and you made SAP during the Spring 2009 semester and/or Summer 2009 session your check will be mailed on August 21, 2009.

A check will not be processed for those students who are in Terminated status at the beginning of the Fall 2009 semester. Students in Terminated status may appeal the decision by submitting a financial aid appeal. If your appeal is approved your check will be mailed on the next scheduled payment date.

* Important Information

- The last day the Financial Aid Office will process payment adjustments is October 30, 2009.
- Students who drop classes before October 28, 2009 will owe money back to the Federal Government.
- **Classes that begin after November 7, 2009 are not accepted for financial aid.** Students **will not** get paid financial aid for these classes.

Financial Aid Payment Schedule – Spring 2010

Semester	Grant	Files Awarded By:	Financial Aid Payment Dates	
			1 st Payment	2 nd Payment
Spring 2010	Pell	1-04-10	1-20-10	4-23-10
		1-15-10	1-22-10	4-23-10
		1-29-10	2-05-10	4-23-10

		5-14-10	5-21-10	5-21-10
	ACG	4-09-10	4-23-10	N/A
	CalGrant	3-05-10	3-12-10	N/A

Spring 2010 - 1st Pell Grant Payment:

Pell checks will be mailed to those students who maintained Satisfactory Academic Progress (SAP) during the Fall 2009 semester on January 20, 2010.

If you were on Warning or Terminated status and you made SAP during the Fall 2009 semester your check will be mailed on January 22, 2010.

A check will not be processed for those students who are in Terminated status at the beginning of the Spring 2010 semester. Students in Terminated status may appeal the decision by submitting a financial aid appeal. If your appeal is approved your check will be mailed on the next scheduled payment date.

* Important Information

- The last day the Financial Aid Office will process payment adjustments is April 9, 2010.
- Students who drop classes before April 7, 2010 will owe money back to the Federal Government.
- **Classes that begin after April 17, 2010 are not accepted for financial aid.** Students **will not** get paid financial aid for these classes.
