# Student Reserve Book Fund

---

The Student Reserve Book Fund, as part of the Yuba College Library/LRC Fund specifically supports placing expensive textbooks on the shelves of the Reserve Room. With book costs escalating, students often cannot afford technical textbooks that can easily exceed \$100 each in cost. With the cost of books often exceeding that of tuition, support for economically disadvantaged students continues to be a critical issue and the Student Reserve Book Fund is an excellent means of expressing your support.
