Harry Kirkpatrick was one of Yuba college foundation's first board members. He was a gentleman whose exceptional wit and generosity earned him the love and respect of the students and staff of Yuba College. While Harry's formal service as a Foundation Board member lasted from 1973 till 1981, his service to the college and his generosity toward its students spanned several decades. As a successful rancher with a B.A. in English Literature and graduate degree in Animal Husbandry, Harry was a supporter of not only Yuba College but of many worthy civic and charitable organizations in the Yuba-Sutter area.
