
Accounting and Business

Accounting Scholarship – This scholarship supports students majoring in the field of Accounting and planning to transfer to a four-year college or university.

John and Freda Monnot Scholarship – The John and Freda Monnot Scholarship was established for the purpose of providing help to promising and industrious Yuba College business students working to obtain a certificate or an associate degree from Yuba College. Contributions to this fund can also be designated toward the purchase of equipment, software or supplies for the Business Division.

Alvin Huckins Memorial Scholarship – Recognizes a student in either the field of business or agriculture. A combination of need, academic excellence and community participation is recognized in selecting the winning candidate for this scholarship.

Laughlin Memorial Award – This scholarship supports students majoring in business and who can demonstrate that they intend to transfer to a four-year college or university. It is merit-based, with the expectation of a GPA of 3.5 or better.

Rose Huckins Memorial Scholarship – Established to support a student in the field of business or education. Community involvement is also a consideration. This is a merit-based scholarship, recognizing students with GPAs of 3.0 or better.
