

## **Scott R.R. Haskell, DVM, MPVM, PhD**

Director

Veterinary Technology Program

Yuba College

Marysville, California

[shaskell@yccd.edu](mailto:shaskell@yccd.edu)

### **INSTRUCTIONAL INTERESTS**

- Critically review and synthesize current instructional concepts of veterinary technology and the training of laboratory diagnostics
- Expand the field of veterinary technology to include agriculture, research, shelter medicine, wildlife, government and the animal care industry
- Facilitate student learning through the development of individualized student abilities
- Develop varied and motivational learning environments
- Apply distance learning and education to veterinary medicine and technology
- Apply evidence-based teaching to the understanding of pathologic microbial ecology
- Integrate multiple ideas in to the problem solving process concerning clinical veterinary pharmacology in education
- Collect and organize appropriate clinical data, apply principles of evidence-based medicine to determine clinical diagnoses, and formulate and implement acceptable treatment modalities
- Expand the field of veterinary medicine to include environmental stewardship and the ownership of veterinary derived pollutants

## HONORS AND AWARDS

- Food Animal Educator of the Year – Western Veterinary Conference 2007
- Conference Educator of the Year – Western Veterinary Conference 2007

## EDUCATION

Doctor of Philosophy Comparative Pathology Graduate Group Emphasis: Microbial Ecology University of California Davis, CA 95616	2008
Visiting Scholar SIO- Environmental Microbiology University of California, San Diego La Jolla, California 92093	1999-2001
Master of Preventive Veterinary Medicine Emphasis: Environmental/Microbial Epidemiology Department of Epidemiology and Preventive Medicine School of Veterinary Medicine University of California Davis, CA 95616	1985
Doctor of Veterinary Medicine School of Veterinary Medicine University of California Davis, CA 95616	1983
Master of Science Endocrinology and Reproductive Physiology School of Medicine University of Wisconsin Madison, WI 53528	1979
Bachelor of Science (with high honors) Department of Animal Science University of California Davis, CA 95616	1977

## MANAGEMENT TRAINING PROGRAMS

Pathologist: Foreign Animal Disease Training and Certification 2005  
USDA/Department of Homeland Security  
Plum Island, New York

Beef Cattle Production Management Certification 2005  
Great Plains Veterinary Education Center  
University Nebraska-Lincoln  
Clay Center, NE
