

# Monday Update

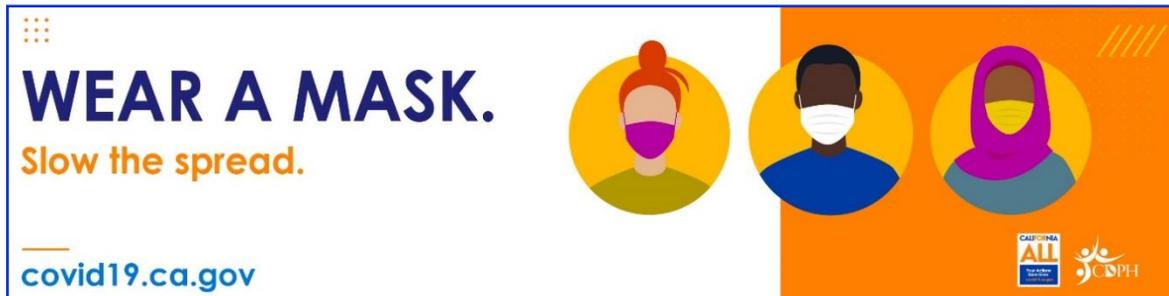

YUBA COMMUNITY COLLEGE DISTRICT

Monday, November 2, 2020

## COVID-19 UPDATE

There are a total of 7,852 confirmed cases of coronavirus in the five county area served by the Yuba Community College District. That is a 5.0% increase over the previous week. Current case totals are: Colusa – 557, a 1.5 % increase; Lake – 727, a 7.1% increase; Sutter – 1,912, a 4.1 % increase; Yolo – 3,303, a 5.9% increase with 1,408 cases in Woodland, a 5.6% increase; and Yuba – 1,353, a 4.6% increase. All counties rate of growth is higher than the previous week. Currently there are 35 patients hospitalized in our service area, four less than Friday, but seven more than last Monday. There have been 106 fatalities, four more than last week.

Statewide there are a total of 926,534 confirmed cases, an increase of 5.2% over the previous week. A total of 18,743,315 tests have been completed. Total patients currently hospitalized in the state are 2,474, a 5.2% increase and the number of ICU patients is 698, an increase of 6.8%. Statewide data is from the California Department of Public Health and can be found at <https://data.chhs.ca.gov/>.

## BLUEPRINT FOR A SAFER ECONOMY

[Blueprint for a Safer Economy](#) is the tiered system that replaces the former County Monitoring List. The Blueprint focuses on *New Daily Cases per 100,000 Population* and *Percentage of Tests that are Positive* to determine the county risk level. The list is updated weekly on Tuesdays. For each level there is specific guidance related to business and community activity that can be found in the link above. **ALL counties of the YCC District are currently in Tier 2: SUBSTANTIAL.** Current Positivity rates are: Colusa – 1.9; Lake – 3.7; Sutter – 2.7; Yolo – 3.7; and Yuba 4.2. Current New Case Per 100,000 Population rates are: Colusa – 1.9; Lake – 5.9; Sutter – 4.6; Yolo – 5.4; and Yuba 7.4. The tiers in the Blueprint are:

Risk Level	Description	New Cases	Positive Tests
WIDESPREAD	Many non-essential indoor business operations are closed	> 7 per 100K	>8%
SUBSTANTIAL	Some non-essential indoor business operations are closed	4-7 per 100K	5-8%
MODERATE	Some indoor business operations are open w/ modifications	1-3.9 per 100K	2-4.9%
MINIMAL	Most indoor business operations are open with modifications	>1	>2%

**AIR QUALITY AND WILDFIRES:** At this time the Air Quality and Wildfire sections of the updates have been discontinued. If they are needed at some point in the future they will be reinstated as part of the twice-weekly update.
