COVID-19 • Prevent the spread

COVID-19 STATUS IN YCCD SERVICE AREA

As of March 4, 2021 there are a total of 32,718 confirmed cases of coronavirus in the five county region served by the Yuba Community College District. That is an increase of .6% over last week. Total cases are shown in the chart below. Increases by county since last week are: Colusa – .5%; Lake – .5%; Sutter – .5%; Yolo – .7%, with a .7% increase in Woodland; and Yuba – .6%. 31,723 of the confirmed cases (97% of the total cases count) have been classified as recovered. Currently there are 995 active cases in the service area. County data is from local county website dashboards. Statewide there are a total of 3,488,467 confirmed cases, an increase of .4% since last week.

Hospitalization continue to decline while ICU numbers have remained the same. Currently there are 44 individuals hospitalized in our service area, which is 14 less than last week. There are 16 patients in ICU, which equal to last week. There have been 373 fatalities, seven more than last week.

Total patients hospitalized in the state is 4,449, a 13.5% decrease since last week. The number of ICU patients is 1,267, a 15.9% decrease since last week. Statewide data is from the California Department of Public Health and can be found at <https://data.chhs.ca.gov/>.

	Cases	New Cases per 100K	Positivity Rate	Hospitalized	ICU Patients
Colusa County	2,140	8.2	3.0	1	0
Lake County	3,132	11	4.9	0	0
Sutter County	8,906	13.4	6.8	22	5
Yolo County	12,754	5.2	1.2	6	3
- Woodland	5,351				
Yuba County	5,786	12.6	70	12	4
YCCD Area Total	32,718			41	12
California	3,488,467	10.2	3.7	4,449	1,267

If you need a COVID-19 Test, click on [Finding a Testing Site](#) for available locations.

ICU available capacity rates across the state are continuing to increase. As of March 2, statewide capacity is 25.2%. Regional ICU capacities are: Northern California – 36.4%; Greater Sacramento Region – 23.5%; Bay Area – 27.8%; San Joaquin Valley – 18.3%; Southern California – 25.3%.

Blueprint for a Safer Economy focuses on *New Daily Cases per 100,000 Population* and *Percentage of Tests that are Positive* to determine a county's risk level. On Tuesday, February 23, **Yolo County was moved into Tier 2 – Substantial**. All other counties in the YCCD District are in Tier 1, the most restrictive Tier. We are starting to see some local number fall into the second and third tiers. Current Positivity and New Case rates are shown on the above table. The color of the number indicates what tier that number would fall into.

Risk Level	Description	New Cases	Positive Tests
WIDESPREAD	Many non-essential indoor business operations are closed	> 7 per 100K	>8%
SUBSTANTIAL	Some non-essential indoor business operations are closed	4-7 per 100K	5-8%
MODERATE	Some indoor business operations are open w/ modifications	1-3.9 per 100K	2-4.9%
MINIMAL	Most indoor business operations are open with modifications	>1	>2%

COVID VACCINE UPDATE

Statewide there have been a total of 9,458,722 vaccine doses administered. That represents 23.8% of the state's population. Local county totals are: Yolo – 58,914 (23.6% of population); Sutter – 20,964 (21.2%); Lake – 14,596 (22.4%); Yuba – 10,464 (13.5%) and Colusa – 3,544 (15.6%).

Vaccine administration somewhat county to county and seems to be in a constant state of change. Here is the latest as of February 26. Information is from county websites.

Yolo County (www.yolocounty.org/coronavirus-vaccine) Yolo County is increasing its efforts to vaccinate educational workers. They have reserved 20% of its weekly vaccine allotment for educational workers and are working with Dignity Health to schedule appointments. Those working on campuses will receive priority. To check availability of appointments and to register go to www.yolocounty.org/coronavirus-vaccine or call 2-1-1.

Sutter & Yuba Counties (www.yuba.org/vaccines and www.suttercounty.org/vaccine) Educational workers regardless of age are eligible to receive the vaccine. Registration information for all vaccination clinics can be found online at www.yuba.org/vaccines and www.suttercounty.org/vaccine. YCCD employees working at the Yuba College Marysville Campus, Sutter Center, or district office do not need to be a resident of Yuba or Sutter County to receive the vaccine. Workers will need to bring a letter from their employer or paystub to confirm employment AND an official ID (driver's license, passport, etc.).

Colusa County (<https://www.countyofcolusa.org/771/COVID19>) Education staff are eligible to be vaccinated.

Lake County (<http://health.co.lake.ca.us/Coronavirus/Vaccines.htm>) Lake County is vaccinating residents who qualify under Phase 1A and in Phase 1B, residents age 65 and older and “those at risk of exposure at work in education who work or live in Lake County.”

Information on neighboring county vaccination programs can be found on the sites below:

Butte County (<http://www.buttecounty.net/ph/COVID19/vaccine>)

I GIVE

...to fund a scholarship in honor of Dr. Cornelison.

I was fortunate enough to work with Dr. Cornelison. His warm style of leadership was an inspiration, and I hope to leave a footprint as wonderful as he did for the students in my community. It is an honor to give back through the foundation and support the education of our students in his name.
