Blueprint for a Safer Economy focuses on *New Daily Cases per 100,000 Population* and *Percentage of Tests that are Positive* to determine a county's risk level. As of March 23, **Yolo County is in Tier 3, Sutter, Lake and Colusa are in Tier 2, and Yuba is in Tier 1.** Current Positivity and New Case rates are shown on the above table. The color of the number indicates

what tier that number would fall into.

Risk Level	Description	New Cases	Positive Tests
WIDESPREAD	Many non-essential indoor business operations are closed	> 10 per 100K	>8%
SUBSTANTIAL	Some non-essential indoor business operations are closed	5-10 per 100K	5-8%
MODERATE	Some indoor business operations are open w/ modifications	1-4.9 per 100K	2-4.9%
MINIMAL	Most indoor business operations are open with modifications	<1	<2%

COVID VACCINE UPDATE

Statewide there have been a total of 17,136,841 vaccine doses administered. 5,312,303 individuals are partially vaccinated and 6,165,743 individuals have been fully vaccinated. Those two numbers represent 28.8% of the state's population.

Vaccine administration somewhat county to county and seems to be in a constant state of change. All counties in our service area are vaccinating educational workers at this time. Please check with your local county website for the latest vaccine information. **As of April 1, all California residents age 50 and older are eligible for vaccination. As of April 15, all Californians age 16 and older will be eligible.**

I GIVE

...to help feed hungry students through Dusty's pantry.

It hurts my heart to hear that 42% of Yuba College students are food insecure and by contributing monthly to the pantry, I am helping my college provide food for a student and/or their family. I am #YC Proud.
