COVID-19 STATUS IN YCCD SERVICE AREA

As of April 4, 2021 there are a total of 33,916 confirmed cases of coronavirus in the five county region served by the Yuba Community College District. That is an increase of .6% over last week. Total cases are shown in the chart below. Increases by county since last week are: Colusa – .0%; Lake – .8%; Sutter – .7%; Yolo –.4%, with a .5% increase in Woodland; and Yuba – 1.1%. 33,343 of the confirmed cases (98.3% of the total cases count) have been classified as recovered. Currently there are 573 active cases in the service area. County data is from local county website dashboards. Statewide there are a total of 3,580,351 confirmed cases, an increase of .5% since last week.

Hospitalization and ICU patient rates have leveled off locally. Currently there are 16 individuals hospitalized in our service area, the same number as last week. There are seven patients in ICU, which is one more than last week. There have been 399 fatalities, two more than last week.

Total patients hospitalized in the state is 2,023, a 11.7% decrease since last week. The number of ICU patients is 526, a 7.6% decrease since last week. Statewide data is from the California Department of Public Health and can be found at <https://data.chhs.ca.gov/>.

	Cases	New Cases per 100K	Positivity Rate	Hospitalized	ICU Patients
Colusa County	2,165	.6	.7	0	0
Lake County	3,322	8.6	4.3	2	1
Sutter County	9,175	7.8	3.3	6	1
Yolo County	13,233	5.6	2.8	2	2
- Woodland	5,538				
Yuba County	6,021	4.3	3.4	6	3
YCCD Area Total	33,916			16	6
California	3,580,351	4.8	1.8	2,023	526

If you need a COVID-19 Test, click on [Finding a Testing Site](#) for available locations.

Blueprint for a Safer Economy focuses on *New Daily Cases per 100,000 Population* and *Percentage of Tests that are Positive* to determine a county's risk level. As of March 30, **Colusa and Yolo Counties are in Tier 3**, and **Sutter, Lake and Yuba are in Tier 2**. Current Positivity and New Case rates are shown on the above table. The color of the number indicates what tier that number falls into.

Risk Level	Description	New Cases	Positive Tests
WIDESPREAD	Many non-essential indoor business operations are closed	> 10 per 100K	>8%
SUBSTANTIAL	Some non-essential indoor business operations are closed	5-10 per 100K	5-8%
MODERATE	Some indoor business operations are open w/ modifications	1-4.9 per 100K	2-4.9%
MINIMAL	Most indoor business operations are open with modifications	<1	<2%

COVID VACCINE UPDATE

Statewide there have been a total of 19,717,651 vaccine doses administered. 5,912,291 individuals are partially vaccinated and 7,260,337 individuals have been fully vaccinated. Those two numbers represent 33.1% of the state's population.

Vaccine administration somewhat county to county and seems to be in a constant state of change. All counties in our service area are vaccinating educational workers at this time. Please check with your local county website for the latest vaccine information. **As of April 1, all California residents age 50 and older are eligible for vaccination. As of April 15, all Californians age 16 and older will be eligible.** The state's vaccine information site, with information on how to sign up to be vaccinated is at <https://covid19.ca.gov/vaccines/>.

Individual county vaccination information sites are listed below:

Yolo County (www.yolocounty.org/coronavirus-vaccine)

Sutter & Yuba Counties (www.yuba.org/vaccines and www.suttercounty.org/vaccine)

I GIVE
...to fund a scholarship in honor of Dr. Cornelison.

I was fortunate enough to work with Dr. Cornelison. His warm style of leadership was an inspiration, and I hope to leave a footprint as wonderful as he did for the students in my community. It is an honor to give back through the foundation and support the education of our students in his name.
