DUAL ENROLLMENT ADMINISTRATIVE PROCEDURES

In accordance with Board Policies 5010 and 5011, the Yuba Community College District will admit students under the age of 18 who do not hold high school diplomas or the equivalent, as special part-time students, provided these students are recommended by their high school as being able to benefit from advanced scholastic and vocational coursework, excluding physical education courses. Students must have the written recommendation of their high school designee/county superintendent and written parental approval.

INFORMATION FOR HIGH SCHOOL DESIGNEE/PRINCIPAL/COUNTY SUPERINTENDENT

By signing this recommendation form, the High School designee is certifying that they are in compliance with Section 48800 of the Education Code.

For Summer Session Classes ONLY:

The High School Principal may recommend a pupil for community college summer session for the following courses regardless of the 5% limitation:

1. College course-level coursework that applies toward the CalGETC requirement
2. College-level occupational coursework that is part of a sequence of career-technical education courses leading to a degree or certificate in that subject area
3. Courses that are necessary to assist pupils who have not passed the California High School Exit Exam

Other than these 3 exemptions to the 5% rule, the High School Principal may only recommend a pupil for community college summer session if that pupil meets all of the following criteria:

- A. Demonstrates adequate preparation in the discipline being studied
- B. Exhausts all opportunities to enroll in an equivalent course, if any, at his/her school of attendance

If the pupil does not qualify for one of the 3 exemptions, a High School Principal may not recommend for community college summer session attendance more than 5% of the total number of pupils who completed that grade immediately prior to the time of recommendation.
