Incoming New Executive Director of Advancement

Pending Board approval, The new Executive Director of Advancement, Sierra Ronning, is projected to start her new role in early January. Sierra Ronning is an award-winning advancement and communications professional with a passion for connecting generosity to opportunity. At UC Davis, she has helped lead multi-unit fundraising and stewardship efforts in Annual Giving that collectively raise more than $10 million each year and engage thousands of donors across campus. Recognized nationally by the Council for Advancement and Support of Education (CASE) and the Annual Giving Network (AGN) for her creative and impactful campaigns, Sierra brings both strategic vision and a deep commitment to access, collaboration, and community partnerships. She's excited about the opportunity to help Yuba Community College District grow its philanthropic reach and expand support for students throughout the region.

Giving Tuesday December 2- The Power of Generosity

Giving Tuesday is a global day of giving that happens every year on the Tuesday after Thanksgiving. It's an appropriate opportunity for people everywhere to support causes they care about: whether by donating, volunteering, or spreading kindness. For our Foundation, it's an opportunity to rally our community, raise funds for student scholarships and college programs, and make a real impact on student success. Join us on this Giving Tuesday and help make a difference!
