ARTICLE 8.0 – LEAVES

8.1 Absences and Conditions Regulating Absences

8.1.1 A unit member may be absent from work during required periods of service, providing the applicable policies and procedures have been properly implemented. Absence for any other reason shall constitute an “unauthorized absence” and may subject the unit member to disciplinary action.

8.1.1.1 An “unauthorized absence” is any absence that is not a paid leave as defined in this agreement or not an unpaid leave authorized by the Board of Trustees.

8.1.2 Information relative to absences and leaves shall be made a matter of record included in the unit member’s personnel file. Violation of such absences and leave provisions shall be considered cause for suspension and/or dismissal.

8.1.3 Except when there is an emergency, notification of unit member’s absence shall be reported in advance by the unit member to the immediate supervisor or, if not available, the Office of Human Resources or Campus Police Department. When advance notification is impossible, the unit member shall submit notice as early as possible. The reasons and the amount of time to be involved shall be reported.

8.1.4 Before the end of the workday on the first day the unit member returns to service the unit member shall complete the Leave Request/Report of Absence form stating the reason for absence. Documentation supporting the unit member’s need for absence may be required. Misrepresentation by a unit member of the reason for an absence shall cause such absence to be classified as an “unauthorized absence.”

8.1.5 A unit member shall not be allowed to undertake any gainful employment while on leave of absence or sick leave unless specifically authorized by the Board. The unit member may be required to certify that he/she was not gainfully employed.

8.1.6 Unit members shall not be entitled to salary compensation during periods of “unauthorized absence” from work during required periods of service.

8.1.7 Upon expiration of authorized leave of absence, the unit member will be placed in an existing position in the same job classification in which the unit member previously worked.

8.1.8 Unit members in unpaid status will be ineligible for continuance of District benefits unless the unit member elects to make advance payment to the District for such benefits.

8.1.9 Periods of authorized leave of absence, paid or unpaid, shall not be considered to be a break in service.

8.2 Bereavement Leave

8.2.1 Unit members may be granted, without loss of salary, or other benefits, leave of absence not to exceed three (3) working days (five (5) working days if out-of-state or in excess of two hundred (200) miles one-way is required) at the time of death of a member of the unit member’s immediate family. Such absence will not be deducted from authorized absences or leaves.

- 8.2.1.1 Should an employee only qualify for three (3) working days of paid bereavement leave in Section 8.2.1, then the same employee will qualify for 2 additional unpaid days of leave. Such unpaid leave may be paid using available and accrued vacation, sick leave, or compensatory time off.
- 8.2.2 “Member of the immediate family,” (either by birth or through marriage including “step” relations) as used in this section means the mother, father, grandmother, grandfather, or grandchild of the unit member or of the unit member’s spouse, and the spouse, son, son-in-law, daughter, daughter-in-law, brother, sister, registered domestic partner, or any relative living in the immediate household of the unit member.
- 8.2.3 The Associate Vice Chancellor of Human Resources or their designee may request documentation of the death of family member satisfactory to the District. The employee must provide such appropriate verification within thirty (30) days of the first day of bereavement leave. Such bereavement leave shall be completed within three months of the date of the death of the family member.
- 8.2.4 Use of bereavement leave need not be consecutive; however, such leave shall be completed within three (3) months of the date of death of the family member.

8.3 Jury Duty

- 8.3.1 When regularly called for jury duty in the manner provided by law, unit members shall be granted a leave of absence without loss of pay for the time the unit member is required to perform jury duty during the unit member’s regularly assigned working hours.
- 8.3.2 Request for jury duty should be made by presenting as soon as possible the official court summons to the unit member’s immediate supervisor and to the Office of Human Resources through regular administrative channels.
- 8.3.3 Reimbursement to the District of any monies earned as a juror, except mileage, shall be made by the unit member.
- 8.3.4 A unit member regularly called for jury duty shall not be encouraged in any way to seek exemption from such duty nor shall the unit member be discriminated against in any way for not seeking such exemption.
- 8.3.5 When jury service is not required during the unit member’s regular assigned working hours, the unit member is required to return to work.
- 8.3.6 Any day during which a unit member, whose regular assigned shift commences at 6:00 PM or after and who has served all day on jury duty, that unit member shall be relieved from work without loss of pay.
- 8.3.7 The District may require verification of jury duty prior to, or subsequent to, providing compensation.

8.4 Personal Necessity Leave

- 8.4.1 A unit member may be granted a maximum of seven (7) days leave of absence in any school year without loss of pay in cases of personal necessity. Such leaves shall be deducted from the unit member’s accumulated sick leave when approved

by the Chief Human Resources Officer or direct supervisor upon employees' return to work.

8.4.2 Personal necessities are limited to:

8.4.2.1 Serious illness of a member of the "immediate family," as defined in 8.2.2;

8.4.2.2 An accident involving the person or property of a member, or the person or property of a member's immediate family;

8.4.2.3 Death of a member of the "immediate family," as defined in 8.2.2; and

8.4.2.4 Appearance in court as a litigant or witness.

8.4.3 This leave specifically does not include any recreational use, nor any use related to the present or prospective employment, union activity or paid employment outside the District. Such leave as applied for, used, and/or granted must be on matters which cannot be accomplished other than during the unit member's regular working hours, or deferred to a more convenient date or time to accommodate the regular work schedule.

8.5 Industrial Accident or Illness Leave

8.5.1 Any unit member, upon attaining permanent status, shall receive sixty (60) working days leave with pay in any one fiscal year for an industrial accident or illness. An industrial accident or illness is defined as one where the unit member becomes ill or is injured while serving the District and the accident or illness is reported to the Workers' Compensation insurance carrier in accordance with their regulations, and the Workers' Compensation insurance carrier accepts responsibility for the treatment of the unit member.

8.5.2 Industrial accident or illness leave will commence on the first (1st) day of absence. Allowable leave shall not be accumulative from year to year. When an industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next fiscal year, the unit member shall be entitled to only that amount remaining at the end of the fiscal year, in which the injury or illness occurred, for the same illness or injury.

8.5.3 Payment for wages lost on any day shall not, when added to an award granted the unit member under the Workers' Compensation laws of this state, exceed the normal wage for the day. Industrial accident leave will be reduced by one (1) day for each day of authorized absence regardless of a compensation award made under Workers' Compensation.

8.5.4 The industrial accident or illness leave of absence is to be used in lieu of entitlement acquired under Section 88191 of the State Education Code. When entitlement to industrial accident or illness leave has been exhausted, entitlement to other sick leave will then be used; but a unit member receiving Workers' Compensation shall be entitled to use only so much accumulated or available sick leave, accumulated compensating time off, vacation or other available leave which, when added to the Workers' Compensation award, provides for a full day's wage or salary.

8.5.5 Periods of leave of absence, paid or unpaid, shall not be considered to be a break in service of the unit member.

- 8.5.6 During all paid leaves of absence, whether industrial accident leave as provided in this section, sick leave, vacation, compensated time off, or other available leave provided by law, or the action of the Board, the unit member shall endorse to the District wage loss benefit checks received under the Workers' Compensation laws of this state. The District, in turn, shall issue the unit member appropriate warrants for payment of wages or salary and shall deduct normal retirement and other authorized contributions. Reduction of entitlement to leave shall be made only in accordance with this section.
- 8.5.7 When all available leaves of absence, paid or unpaid, have been exhausted and if the unit member is not medically able to assume the duties of the position, the unit member shall, if not placed in another position, be placed on a reemployment list for a period of thirty-nine (39) months.
 - 8.5.7.1 When available, during the thirty-nine- (39) month period, unit members shall be employed in a vacant position in the class of their previous assignment over all other available candidates except for a reemployment list established because of lack of work or lack of funds, in which case they shall be listed in accordance with appropriate seniority regulations.
 - 8.5.7.2 A unit member who has been medically released for return to duty and who fails to accept an appropriate assignment shall be dismissed.
- 8.5.8 The Board shall require certification by the attending physician that the unit member is medically able to return to and perform the duties of the position.
- 8.5.9 Any unit member receiving benefits provided in this section shall, during periods of injury or illness, remain within the State of California unless the Board authorizes travel outside of state.

8.6 Sick Leave

- 8.6.1 Unit members employed five (5) days a week shall be entitled to twelve (12) days leave of absence for illness or injury with full pay for a fiscal year of service. This entitlement shall be credited at the start of each fiscal year (July 1) to full-time unit members. Fractional assignments shall receive proportionate leave entitlement.
- 8.6.2 Unit members employed five (5) days a week for less than a full fiscal year are entitled to that proportion of twelve (12) days leave of absence for illness or injury as the number of months the unit member is employed bears to twelve (12).
- 8.6.3 Unit members employed less than five (5) days per week shall be entitled, for fiscal year of service, to that proportion of twelve (12) days leave of absence for illness or injury as the number of days they are employed per week bears to five (5). When such persons are employed for less than a full fiscal year of service this and the preceding paragraph shall determine that proportion of leave of absence for illness or injury to which they are entitled.
- 8.6.4 Pay for any day for such absence shall be the same as the pay, which would have been received, had the unit member served during the day.

- 8.6.5 Credit for leave of absence need not be accrued prior to taking such leave by the unit member and such leave of absence may be taken at any time during the year. New unit members of the District shall not be eligible to take more than six (6) days, or the proportionate amount to which they may be entitled under this policy, until the first (1st) day of the calendar month after completion of six (6) complete months of active service with the District.
- 8.6.6 Utilization of sick leave shall be calculated in increments of thirty (30) minutes.
- 8.6.7 If the unit member does not take the full amount of leave allowed in any year under this section, the amount not taken shall be accumulated from year to year. Unused cumulative sick leave will be canceled when employment with the District is terminated and will not be compensated for in terminal pay.
- 8.6.8 Sick leave may be used for visits to medical doctors, dentists, optometrists, oculists, chiropodists, chiropractors, psychiatrists, psychologists, or physical therapists, for the unit member or the unit member's immediate family as defined in 8.2.2. Such leave shall be scheduled so as to interfere as little as possible with operations of the District and shall be of reasonable duration.
- 8.6.8.1 "so as not to interfere" means, as much as possible, appointments will be scheduled at the beginning or end of the day, and/or will require return to work upon completion of appointments.
- 8.6.9 All sick leave absence shall be reported in writing through the immediate supervisor. The District reserves the right to require medical verification of illness for any absence; however, such right shall not be exercised in an arbitrary or capricious manner. In addition, any absence of five (5) days or more requires medical certification.
- 8.6.10 Disabilities caused or contributed to by pregnancy, miscarriage, abortion, childbirth, and recovery therefrom, are, for all job-related purposes, temporary disabilities and shall be treated as a condition of illness.
- 8.6.11 Unit members must be in active employment a minimum of eleven (11) days in order to earn one (1) day sick leave for that month. Unit members on paid leave status are eligible to earn or use sick leave. Sick leave may be applied only on those days when the unit member is required to report for duty but cannot do so because of illness or injury. The operation of this provision shall not be deemed to nullify Section 8.8.9 below.
- 8.6.11.1 "Active employment" means in a paid, working status, paid leave status or in a Board authorized unpaid leave status. "Unauthorized leave" is not active employment.
- 8.6.11.2 While "difference pay" is active employment, unit members will not accrue additional sick leave and vacation while on "difference pay".
- 8.6.12 When a unit member is separated prior to rendering a complete fiscal year of service, the sick leave entitlement for the partial year shall be that proportion of twelve (12) days leave as the number of months in the fiscal year the unit member was employed bears to twelve (12).

- 8.6.13 Sick leave entitlement shall be reduced by one (1) day for each month a unit member is on leave without pay.
- 8.6.14 Unit members may convert unused sick leave to retirement credit in accordance with the then-existing law, rules and regulations of P.E.R.S. when filing a request for retirement.

8.7 Holiday Leave

- 8.7.1 Members of the unit shall be entitled to the following holidays with pay:

- 8.7.3 When a holiday falls on a Sunday, the following workday not a holiday shall be deemed to be a holiday in lieu of the day observed. When a holiday falls on a Saturday, the preceding Friday shall be deemed to be the holiday in lieu of the day observed.
- 8.7.4 Should a holiday as outlined in Section 8.7.1 or any other day designated by the Board as a public holiday occur while a unit member is absent from work because of sick leave, vacation, or any other paid leave of absence, the holiday shall be considered as time worked and shall not be deducted from other paid leave of absence.
- 8.7.5 Unit members shall be entitled to the same number of holidays, regardless of whether they work Monday through Friday or some other shift.
- 8.7.6 Unit members, other than an employee designated by the District as exempt, required by their supervisors to work on a holiday shall receive time and a half pay in addition to their regular day's pay for work on the holiday. If the unit member does work and is paid overtime for working on a holiday, the unit member shall not receive an additional day off.

- 8.7.7 When a holiday falls on a non-workday for a unit member working other than Monday through Friday and the holiday is one of those outlined in Section 8.7.1, the unit member is entitled to an additional day off with pay.
- 8.7.8 Floating Holiday: Unit members shall take the floating holiday during the academic year in which it accrues. Should a request for use of the floating holiday be denied and it cannot be rescheduled during the academic year in which it accrues, the unit member shall be paid for the floating holiday during the first payroll cycle in July.
- 8.8 Vacation Leave: Beginning July 1, 2026, or the first pay period after this Agreement is adopted by the Board of Trustees, whichever is later (vacation leave accrual prior to this effective date will continue under the prior vacation accrual process, which is included in Exhibit 9):

 - through year 5 - 12 days (8.0 hrs. per month)
 - At the start of year 6 through year 10 - 17 days (11.33 hrs. per month)
 - At the start of year 11 through year 15 - 18 days (12.0 hrs. per month)
 - At the start of year 16 - 24 days (16 hrs. per month)
 - 8.8.2 Unit members working less than forty (40) hours per week or less than twelve (12) months per year shall earn vacation at the same ratio as their work schedule bears to the regular work hours per day, days per week, weeks per month, or months per year.
 - 8.8.3 Monthly vacation entitlement shall be credited during each pay period (thus, a new employee will receive their first hours of vacation entitlement on their first pay day following the first day of employment. In order to count the last month of service for vacation allowance, the unit member must have worked beyond the fifteenth (15th) day of the month.
 - 8.8.4 Except as addressed by 8.8.4.1, upon separation from service with the District, the unit member shall be entitled to lump sum compensation for all earned and unused vacation up to a maximum of two (2) years vacation leave.
 - 8.8.4.1 In accordance with Education Code Section 88197(e), (h), vacation accrual will not become a vested right until completion of the initial six (6) months of employment, and thus, unit members who have not completed six (6) months of employment in regular status shall not be entitled to compensation for earned and unused vacation.
 - 8.8.5 A unit member shall not accrue vacation leave until having worked in a paid, active status, as defined in 8.6.11.1.
 - 8.8.6 No unit member may normally take vacation leave in excess of twenty (20) consecutive working days without having scheduled the leave at least six (6)

months in advance, and/or with approval of the Board. Leaves approved under this section shall be deemed priority vacations over subsequent vacation requests.

- 8.8.7 Accrued vacation leave may be used to extend sick leave when necessary.
- 8.8.8 Any paid holiday to which a unit member is entitled shall not be charged as a day of vacation.
- 8.8.9 A permanent unit member shall be permitted to interrupt or terminate vacation leave in order to begin another type of leave provided the employee supplies notice, where possible, and supplies supporting documentation, such as a doctor's certificate, if applicable, of illness, regarding the basis for such interruption or termination.
- 8.8.10 A unit member must work a minimum of eleven (11) days during the month or be on paid leave of absence in order to earn full vacation for that month.
- 8.8.11 Vacation schedules shall be developed within each department. Insofar as possible, vacation shall be scheduled at times requested by the bargaining unit member; however, the District shall have the right to ensure the vacation schedules do not impede the required operations of the department.
- 8.8.12 No employee may accumulate more than two (2) years vacation benefits as of 30 June. Employees who, by 1 March, appear to possibly accrue more than the limit of two (2) years by 30 June will be so notified.

- 14.3 All requests will have two submission deadlines each fiscal year. The first submission deadline is August 15 and the second is January 15. The committee will act on requests for the first submission deadline by September 15 and the second submission deadline by February 15. For each submission round, the committee will review the requests and allocate funds within the limit of funds allocated. Payment under approved plans will be made upon proper documentation of expenses.
- 14.4 The committee may allocate funds to cover the costs of:
1. Tuition
 2. Books
 3. Travel
 4. Registration Fees

ARTICLE 15.0 – WORK YEAR, WORK WEEK, WORKDAY

- 15.1 Each employee shall have fixed regular and ascertainable minimum number of hours and workdays.
- 15.2 Work Year - The work year shall be July 1 through June 30, the work week shall be five (5) consecutive days, and the workdays shall be eight (8) working hours, except for those on a schedule of ten (10) hours per day, forty (40) hours per week on four (4) consecutive days as authorized by Education Code Section 88035.
- The definitions above must be fully met in all specifics to constitute full-time employment status; all other work schedules shall be deemed part-time employment positions, except that those persons working forty (40) hours a week shall be considered full-time employees, regardless of shift anomalies.
- 15.3 Summer Work Hours – Each year beginning the week following the week of the Memorial Day holiday and continuing through the third week prior to the week of the official first (1st) day of the Fall Semester, summer work hours will be in effect. During this period classified employees will work their regular weekly hours in four (4) rather than five (5) days. This means that all eight (8) hour, five (5) day employees will work four (4) ten (10) hour days, Monday through Thursday, unless one of the exceptions listed below is applicable.

- 15.3.1 The starting and ending times of each employee's daily work shift will be 7:00a.m. to 6:00p.m., subject to scheduling agreement between the employee and the immediate supervisor.
- 15.3.2 Permanent part-time employees will schedule weekly hours in the Monday through Thursday period as well, with some flexibility on how many hours are worked each of the four (4) days. The daily starting and ending times of their four (4) day work week are also to be cooperatively arranged with their immediate supervisor, so as to meet the operational needs of their departments.
- 15.3.3 In no event may an employee work more than ten (10) regular working hours on any one (1) day during this period.
- 15.3.4 Exceptions to the four (4) day work week will occur. Examples of exceptions include departments or programs that have external contracts, departments or programs that have public contact that requires a five (5) day work week, or departments or programs that need five (5) day coverage so as not to interfere with instructional programs. Specific department(s) or program(s) excluded from summer hours are Maintenance (including grounds and custodial), Childcare, Upward Bound and SBDC. However, when/where exceptions occur, at the discretion of the supervisor of these specific departments only, arrangements may be made for a modification to the schedule to accommodate four (4) day work weeks.
- 15.3.5 At the discretion of the District, for limited purposes such as special projects or emergencies, exclusions to summer work hours may occur for a short duration. Special projects include construction and may involve departments such as Information Technologies, for example. A "short duration" is a modification of the summer work hours for a maximum of two (2) weeks (two Fridays) for each occurrence, project or emergency.
- 15.3.6 Subject to advanced agreement, full-time employees may
 - 15.3.6.1 Work four (4) nine (9) hour days Monday through Thursday and may use four (4) hours of compensatory time off (CTO) and/or paid vacation to cover the four (4) hours not worked.
 - 15.3.6.2 Work four (4) eight (8) hour days Monday through Thursday and may use eight (8) hours of CTO and/or paid vacation to cover the eight (8) hours not worked.
 - 15.3.6.3 Employees may use personal business leave to accommodate childcare issues.
 - 15.3.6.4 Employees who are medically unable to work more than eight (8) hours in a day, with notification from their Physician, may use eight (8) hours of sick leave for the hours not worked. Medical necessities may require reasonable accommodations.
 - 15.3.6.5 Employees not choosing one (1) of the preceding options have the individual option of working eight (8) hour days Monday through Thursday and taking eight (8) hours of unpaid leave of absence for the hours not worked.

- 15.3.7 Upon notification to the Office of Human Resources, the District may advance paid vacation time and/or personal business leave hours for emergency situations up to a maximum of three (3) days per employee to employees per emergency occurrence.
- 15.3.8 Employees who wish a one half (1/2) hour lunch break may
- 15.3.8.1 Start their shift at 7:30 a.m. or
 - 15.3.8.2 End their shift at 5:30 p.m.
- 15.3.9 Building air conditioning hours will not be extended beyond the regularly scheduled time and an alternate work location may be required.

15.4 Adjustment of Work Schedules

15.4.1 The parties agree that all changes in regularly assigned work year, work week, and workdays for each bargaining unit position or class of positions remains the right of the District and notwithstanding any other provisions of this Agreement, the District retains the right to establish and re-establish the work year, work week and workday for all employees to meet the educational goals of the District. Such rights shall not be exercised in a capricious or arbitrary manner or be disciplinary in nature.

Before a permanent change in schedule occurs, the District shall present the employee and the Association with a fifteen (15)-working day written notice and provide for a conference between the supervisor, the unit member, and the Association representatives to discuss the reasons for the transfer and possible alternative solutions.

The District agrees that it may not use the above language to avoid the payment of employee overtime.

15.4.2 A unit member required to change work sites during their normal workday will be granted sufficient time for travel between work sites and will be reimbursed for miles traveled per Board policy.

15.4.3 Should the District need coverage of bargaining unit members for a certain additional, preplanned, weekend workdays, such as Super Saturday or Express Registration, or preplanned evening activities, such as campus-events or workshops, it shall first follow Section 12.4.3 and request volunteers for these additional work opportunities. Employees covering these additional weekend work opportunities are entitled to overtime for this coverage under Education Code section 88030 and Section 12.4.3 or CTO under Education Code section 88028 and Section 12.4.7, if applicable. If adequate volunteer bargaining unit employees are not available for these weekend sessions, the Parties agree that the District may contract out for this additional work, if possible.

15.5 Fringe benefits of part-time classified employees

15.5.1 A classified employee who works a minimum of 30 minutes per day in excess of the part-time assignment for a period of 20 consecutive working days or more shall have the basic assignment changed to reflect the longer hours in order to acquire

fringe benefits on a properly prorated basis as specified in Education Code Section 88035.

- 15.5.2 If a part-time employee's average paid time, excluding overtime for which the employee receives compensation at a rate at least equal to time and one-half, exceeds the employee's average assigned time by 50 minutes or more per working day in any quarter, the hours paid per day for compensable leaves of absence and holidays in the succeeding quarter shall be equivalent to the average hours paid per working day in the preceding quarter, excluding overtime.
- 15.5.3 The parties recognize that the intent of the foregoing is to ensure that part-time employees are accorded fringe benefits on an appropriate prorated basis with full recognition given to the number of hours worked by the part-time employee, rather than on the basis of time fixed to the position when the fixed time is not reasonably correlated with the actual time worked. This Article is to be liberally construed in order that its provisions may not be circumvented by requiring employees to work in excess of the regularly fixed hours for a position on an overtime basis, but for which premium pay is not provided nor appropriate adjustment is not made in fringe benefit entitlement. (Education Code Section 88036.)
- 15.6 Flexible Hours – Upon request of an individual employee and the agreement of the supervisor, an individual employee's regular work hours may be adjusted to meet the employee's needs as long as such adjustment does not interfere with the operation or needs of the District.
 - 15.6.1 All changes which will last more than ten (10) days must be cleared through the Office of Human Resources.
 - 15.6.2 If the needs of the District change, the employee will be given at least two (2) weeks' notice before reverting to the original hours.
- 15.7 Job Sharing - With the agreement of the District, a permanent employee may request to share a full-time position in order to create part-time job opportunities; providing, however, that one of the part-time jobs equals at least a half-time position.
 - 15.7.1 All such arrangements shall serve the interests of the employing department and be by mutual agreement between the employee(s) and the District. The specific provisions pertaining to the job share arrangements and return rights, if any, shall be set forth in a written agreement between the District and the participating employee(s). The District or the employee may terminate the job share arrangement with a thirty (30) day notice to all parties.
 - 15.7.2 In the absence of an express agreement to the contrary, if one or more of the job share partners leaves for any reason, the remaining partner(s) must pick up the remainder of the position until the job share arrangement has been re-evaluated.
- 15.8 Rest Periods - All classified employees are entitled to rest periods which, insofar as practicable, will be in the middle of each work period, at the rate of twenty (20) minutes per four (4) hours worked, or major fraction thereof.
 - 15.8.1 Employees must take their allotted work breaks for the purpose of being refreshed for improved work. Appropriate times for the rest periods shall be arranged by the immediate supervisor.

15.8.2 Should such rest period(s) not be taken, such time may not be used to lengthen the lunch period or to shorten the workday, nor may the rest period be used to make up lost time.

- 15.9 Lunch - All classified employees shall be given a one (1) hour lunch period. Due to variations in hours of work by employees of the District, the employee or supervisor may request a lunch period of thirty (30) minutes. It is understood that thirty (30) minute lunch periods are only authorized if they are by mutual consent and if it does not disrupt the operation of the District.

16.1.1 Definitions: A voluntary transfer (transfer) is a reassignment of a member of the bargaining unit from one department to another within the same classification or a change to a position in a similar or related classification with the same or lower salary range.

16.1.2 Request: Bargaining unit members may request a transfer into a vacant classified position by submitting an application for the position with the Office of Human Resources. To provide advance notice of future vacancies, the District will announce all such permanent positions internally for three (3) working days before the vacancy can be opened for applications (internally and externally).

16.1.3 No unit member shall be considered for a transfer to a new position, unless the unit member meets the minimum requirements of the proposed new assignment and their most recent performance evaluation is satisfactory or better. Most recent evaluation shall mean within the last twenty-four month period, and if no evaluation has been given it shall be considered a satisfactory or better evaluation.

16.1.4 After reviewing applications of the internal candidates the selection committee may:

16.1.4.1 Recommend the candidate(s) to be considered in the pool of applicants from outside of the District. Internal candidates put forward to be placed in the pool of applicants shall receive an interview; or

16.1.4.2 Deny the request(s) for transfer.

16.1.5 Any unit member whom the selection committee recommends to be considered in the pool of applicants from outside the District shall receive an interview slot with the selection committee.

16.1.7 A transfer to a lower classification may result in a salary reduction and no “Y-rating” adjustments shall be allowed. The unit member shall be placed on a salary step in the lower range which corresponds in credit for years of service to that which was provided in the higher range. However, in no case shall the new pay level exceed the maximum salary for the lower classification.

16.1.8 Transfers and transfer denials shall be made based on the need of the District subject to the above listed criteria and the interview process, if applicable.

This section shall be subject to the grievance process for compliance with process. However, the reason(s) for the transfer denials shall not be subject to the grievance process.

16.2 Involuntary (Administrative) Transfer

16.2.1 Definition: A transfer of a unit member without their permission whether temporary or permanent at any time.

16.2.2 Involuntary transfers shall not be made in an arbitrary or capricious manner or be disciplinary in nature.

16.2.3 Before an involuntary transfer or involuntary worksite transfer of a unit member takes place, the District shall present the employee and the association with a twenty (20) working day written notice of the reasons for permanent transfer and provide for a conference between the supervisor, the unit member, and the Association representatives to meet and confer regarding the reasons for the transfer and possible alternative solutions.

16.2.4 In the case of mandatory involuntary permanent worksite transfer, unit members who provide services at a worksite which would cause travel of more than five (5) miles further from their residence than their normal worksite shall be compensated at the amount established by District policy for a maximum of nine (9) months for the total additional mileage difference if such employees utilize their personal vehicle between their residence and their worksite.

16.2.5 In an involuntary permanent worksite transfer, the unit member shall be given a one (1) time \$300 worksite relocation stipend, if the transfer requires a greater distance from home to the new worksite assignment.

16.2.6 Any transfer ordered by the District on which agreement has not been reached by the parties shall be subject to the grievance process for compliance with process, but such transfer shall remain in effect during the pendency of the grievance.

16.3 Temporary Job Site Transfers

16.3.1 No employee shall be assigned to work in a work location more than fifteen (15) miles further from his/her residence than is the employee's normal work site for a period in excess of fifteen (15) working days without the written consent of the employee.

16.3.2 Any employee who has consented to remain at a work site other than the employee's normal work site for a period in excess of fifteen (15) days may, at any time, request in writing to be returned to the regular work site.

16.3.2.1 This request will be granted within ten (10) working days after the receipt by the District of the written request, provided a qualified substitute can be obtained.

16.3.2.2 If the request is not granted, the employee shall receive premium pay of additional five percent (5%) of the employee's regular rate of pay for all days spent working at the temporary site.

16.4 Mileage Compensation During Temporary Assignments - Any employee required to work at a work site on a temporary assignment which is further from the employee's normal

16.5.1 Unit members who have completed their initial probationary period, upon reassignment or advancement to a position within a different classification, will serve a probation ("conditional status") period of ninety (90) days. During the period of probation the District shall be allowed to employ a substitute in the previous position held by the unit member for ninety (90) days.

16.5.1.1 If during the conditional status period a unit member is deemed unsuccessful in the new position, the unit member shall be reinstated in the previous held classification.

16.5.1.2 If during conditional status period the unit member determines the requirements of the position cannot be successfully fulfilled by the unit member, the unit member shall have the option to return to the previously held classification.

16.5.2 Unit members accepting a new position with a higher range than their current position shall be placed on a salary step in the higher range that is at least five percent (5%) higher than the step of the unit members previous classification provided the increase would not require them to be higher than the final step of the salary schedule for the new range, exclusive of longevity. This provision does not apply to reclassifications process under Article 17.

16.6 Transfers when an employee has not completed probation in current assignment

16.6.1 Unit members voluntarily transferring to a new position who have not completed their probationary period in their current assignment will still receive a full probationary period for this assignment. If the position is in the same classification, supervisors/managers for both positions will coordinate to complete the evaluation within the time period set by Education Code section 88013 and Article 13 of this Collective Bargaining Agreement. Evaluations will be as outlined by Article 13. In such a circumstance, the lateral transfer will not be considered a "promotion" under Education Code section 88013, but instead a continuation of the existing initial probationary period.

The review and assessment will be shared with the Reclassification Review Committee.
- 17.3 The District and the Association shall each appoint two (2) members to a Reclassification Review Committee. The Reclassification Review Committee shall review and evaluate each request that is submitted, as well as the supervisor's review and assessment. - 17.3.3.1 Approve the recommendation or the appeal and forward it to the Board. The Boards' decision shall be final.
 - 17.3.3.2 Deny the recommendation or the appeal, and inform the employee and the appropriate manager of its decision. The Chancellor or executive designee may recommend the supervisor adjust the employee's duties to align with the job description.

Exhibit 9 – Article 8.8 Vacation Leave Accrual from 2021-2024 CSEA 283 CBA

(Sunsets July 1, 2026)

8.8 Vacation Leave

8.8.1 Unit members are entitled to vacation allowance with regular pay. Unit members working forty (40) hours per week on a twelve (12) month basis shall earn vacation leave as follows based on their anniversary date:

1 year -	11 days (7.33 hrs. per month)
2 thru 5 years -	12 days (8.0 hrs. per month)
6 thru 10 years -	17 days (11.33 hrs. per month)
11 thru 15 years -	18 days (12.0 hrs. per month)
16 or more years -	22 days (14.67 hrs. per month)

8.8.2 Unit members working less than forty (40) hours per week or less than twelve (12) months per year shall earn vacation at the same ratio as their work schedule bears to the regular work hours per day, days per week, weeks per month, or months per year.

8.8.3 Entitlement to vacation shall be credited at the start of each fiscal year or the beginning of employment for bargaining unit members. If a unit member terminates employment with the District and has been granted vacation leave which was not yet earned at the time of termination of employment, the District shall deduct from the unit member's last check the full amount of salary which was paid for such unearned days of vacation leave taken.

8.8.4 Vacation entitlement shall be established as the first (1st) of the month of employment if employed between the first (1st) and fifteenth (15th) calendar date of that month or the first (1st) of the following month if employed on or after the sixteenth (16th) calendar date of the month. In order to count the last month of service for vacation allowance, the unit member must have worked beyond the fifteenth (15th) day of the month.

8.8.5 Upon separation from service with the District, the unit member shall be entitled to lump sum compensation for all earned and unused vacation to a maximum of two (2) years annual leave allowance.

8.8.5.1 Unit members who have not completed six (6) months of employment in regular status shall not be entitled to compensation for vacation.

8.8.5.2 If, during the first six (6) months of employment, the unit member has used vacation, such vacation used shall be deducted from their final pay warrant.

8.8.6 A unit member shall not accrue vacation leave until having worked in a paid, active status, as defined in 8.6.11.1.

8.8.7 No unit member may normally take vacation leave in excess of twenty (20) consecutive working days without having scheduled the leave at least six (6) months in advance, and/or with approval of the Board. Leaves approved under this section shall be deemed priority vacations over subsequent vacation requests.

8.8.8 Accrued vacation leave will be used to extend sick leave when necessary.

- 8.8.9 Any paid holiday to which a unit member is entitled shall not be charged as a day of vacation.
- 8.8.10 A permanent unit member shall be permitted to interrupt or terminate vacation leave in order to begin another type of leave provided the employee supplies notice, where possible, and supplies supporting documentation, such as a doctor's certificate, if applicable, of illness, regarding the basis for such interruption or termination.
- 8.8.11 A unit member must work a minimum of eleven (11) days during the month or be on paid leave of absence in order to earn full vacation for that month.
- 8.8.12 Vacation schedules shall be developed within each department. Insofar as possible, vacation shall be scheduled at times requested by the bargaining unit member; however, the District shall have the right to insure the vacation schedules do not impede the required operations of the department.
- 8.8.13 No employee may accumulate more than two (2) years vacation benefits as of 30 June. Employees who, by 1 March, appear to possibly accrue more than the limit of two (2) years by 30 June will be so notified.
- 8.8.13.1 Thereafter, the District will schedule the employee for vacation in the amount of the accumulated excess. In doing so, the District will attempt to schedule such vacation at a time mutually agreed upon.
- 8.8.13.2 If the District does not allow the employee to take vacation, the employee will be paid a lump sum for the excess accumulated days.
